A) This new addition to Louisiana’s Open Meetings Law creates a framework in which a public body may conduct, and its members may attend and participate in, a meeting via electronic means provided all of the following:

1) The Governor has declared a state of emergency for the area in which the board would meet, and the nature of the public emergency would make an open meeting detrimental to the health, safety, or welfare of the public.

2) The board’s presiding officer, Jacob Warren, Chairman, certifies that the agenda of the meeting is limited to one or more of the following:

A. Matters directly related to the board’s response to the emergency and critical to the health, safety, or welfare of the public;

B. Matters that, if they are delayed, would cause curtailment of vital public services or severe economic dislocation and hardship;

C. Matters that are critical to the continuation of the business of the Board and cannot be postponed due to a legal requirement or other deadline that cannot be postponed or delayed.

D. Other matters that are critical or time-sensitive and that in the determination of the presiding officer should not be delayed; however, such matters shall not be considered at the meeting unless the members of the body present at the meeting approve the consideration of the matters by a two-thirds vote.
